

Before a minor (age 16–18) may register for a library card from the Library of Virginia, a parent or guardian must complete this form and accompany the minor to the Library with a government-issued photo ID. The parental permission expires when the minor turns 18 and assumes responsibility or if the parent or guardian revokes the privileges.

As the parent or legal guardian of _____, I grant permission for my minor child to access the published and electronic collections of the Library of Virginia. By signing below, I acknowledge that I am responsible for my child's actions and for any fines or fees incurred by my child while using Library of Virginia materials. I will not hold the Library of Virginia or its staff responsible for the material my child chooses to check out, use, or view at the facilities.

I have read the Library of Virginia's Rules for Conduct and Internet Access Policy. I understand these rules and the Library's position and we (the parent or guardian and minor child) agree to abide by the guidelines and policies. Knowing that some materials on the Internet may be objectionable, I accept full responsibility for the guidance of my child's Internet use.
